Aims

Woodford County High School is committed to providing Staff with access to appropriate, up-to-date ICT resources to support and enrich learning, the acquisition of skills and personal development.

WCHS promotes the positive use of technology in school and assists in developing pupil's knowledge and understanding of digital devices and the Internet. We ensure that our school IT network is robust and resilient and staff have a duty of care to safeguard pupils when using technology in school.

This suite of Acceptable Use & Social Media Policies [(i) Students, ii) Parents, iii) Staff] exists to ensure that all users are familiar with expectations which are designed to ensure safe ICT usage for everyone in the school community and promote positive and responsible network and Internet behaviour.

Summary of Undertaking

The school's ICT systems and network cannot be regarded as private, and user accounts could be subject to random monitoring. They should be used primarily for school purposes but **occasional** personal use is permitted. All ICT activities must conform to the norms of moral decency and not contravene ICT or other relevant legislation. Internet access is subject to web filtering (Smoothwall) and all sites visited are monitored and logged.

In the context of all Policies the term 'Staff' includes any and all contracted staff, Governors, visitors, volunteers or companies employed by Woodford County High School and using resources supplied by Woodford County High School.

All Staff using ICT equipment within the school must ensure that they have read, signed and abide by the Acceptable Use Policy as set out below.

The use of Woodford County High School's PCs and networked resources is a privilege, not a right. Inappropriate use, including violation of this policy, may result in cancellation of this privilege or disciplinary action, including termination of employment.

Using Technology in School

I understand that I must use school ICT systems in a responsible way, to ensure that there is no risk to my safety or to the safety and security of the ICT systems and other users. I recognise the value of the use of ICT for enhancing learning and will ensure that students receive opportunities to gain from the use of ICT. I will, where possible, educate the young people in my care in the safe use of ICT and embed e-Safety in my work with young people

- I understand that the rules set out in this agreement also apply to use of school ICT systems

out of school (e.g. remote access, laptops, e-mail, MLE, mobile devices online apps etc)
I will ensure that personal data is stored securely and or destroyed in line with UK Data Protection Legislation. I will follow school policy with regard to external logins, encrypted data and not store school material on personal Unencrypted USB's or IT equipment

- When I use a personal mobile device (PDAs , desktop/laptop computers ,digital cameras, video cameras, mobile phones, camera phones, USB devices, etc) in school, I will follow the rules set out in this agreement, in the same way as if I was using school equipment. I will also follow any additional rules set by the school about such use. I will ensure that any such devices are protected by up to date anti-virus software and are free from viruses, are password protected and where necessary store data in an encrypted form. I will never store Personal or sensitive personal information on my personal device (please refer to the schools Data Protection Policy SP 08.08.004)

Security, Passwords & Copyright

I will not:

- disclose my usernames or password to anyone else, nor will I try to use any other person's username and password and I will comply with school IT security procedures.
- continue using a machine if I find it logged on under another person's username, I will log it off immediately and login again using my own credentials
- leave my computer logged on and unattended at the end of a lesson or at the end of the school day
- access, copy, remove or otherwise alter any other user's files, without their express permission
- install or attempt to install programs of any type on a computer, or store programs on a computer, nor will I try to alter computer settings
- release any personal details of any colleague or student over the Internet
- use the school internet access for business, profit, advertising or political purposes
- engage in any activity which might compromise the security of the school network

When using e-mail

Email is regarded as an essential means of communication and the school provides all members of the school community with an e-mail account for school based communication. Communication by email between staff, pupils and parents will only be made using the school email account and should be

professional and related to school matters only. E-mail messages on school business should be regarded as having been sent on headed notepaper and reflect a suitable tone and content and should ensure that the good name of the school is maintained.

I understand that any personal information in an e-mail is potentially disclosable to the individual concerned. If the recipient finds the content offensive, I understand that it could result in legal action against me directly.

I will:

- be professional in my communications and actions when using school ICT systems
- immediately report any illegal, inappropriate or harmful material or incident of which I become aware to the Network Manager
- observe 'netiquette' on all occasions. I understand that e-mail should not be considered as a private method of communication and great care should always be taken over content because of the possibility of public scrutiny
- only communicate with students and parents (or carers) using official school systems which can be monitored
- School will set clear guidelines about when pupil-staff communication via email is acceptable and staff will set clear boundaries for pupils on the out-of-school times when emails may be answered
- As part of the curriculum pupils are taught about safe and appropriate use of email. Pupils are informed that misuse of email will result in a loss of privileges.

I will not:

- include offensive or abusive language in my messages nor any language which could be considered defamatory, obscene, menacing or illegal
- create or forward text which is offensive, abusive, libellous or designed to incite hatred against any ethnic, religious or other minority
- send any unsolicited promotional or advertising material nor any chain letters or pyramid selling schemes
- open any attachments to e-mails, unless the source is known and trusted, due to the risk of the attachment containing viruses or other harmful programs

I understand that:

- all network and Internet activity is logged and monitored and that the logs are available to SLT in the event of allegations of misconduct
- In reviewing and monitoring user accounts Woodford County High School will respect the privacy of user accounts. All messages sent over the Woodford County High School's network are the property of Woodford County High School
- Responsible use of personal web mail accounts on school systems is permitted outside teaching hours.

When using the internet in my professional capacity or for school sanctioned personal use

I will:

- watch for accidental access to inappropriate materials and report any offending site to the Network Manager or ICT technician so that action can be taken
- check copyright before publishing any work and ensure that any necessary permissions are obtained
- report any breaches of the school's internet policies
- ensure that I have permission to use the original work of others in my own work
- not search for, view, upload, download or access any materials which are considered illegal offensive, defamatory or copyright infringing (child sexual abuse images, criminally racist material, adult pornography - covered by the Obscene Publications Act) or other material which is inappropriate or may cause harm or distress to others
- not use any programs or software that might allow me to bypass the filtering or security systems in place to prevent access to such materials
- not download or distribute copies (including music and videos) of work that is protected by copyright

Media files

- All ICT activity must be consistent with professional standards of conduct and social interaction and with ICT and other relevant legislation
- Photographs of staff, pupils and any other members of the school community will not be used outside of the internal school IT network unless written permission has been granted by the subject of the photograph or their parent/guardian. I will ask the permission of the Head Teacher (on site) or the proprietor of the building (off site) prior to taking any photographs
- I will ensure that when I take or publish images of others I will do so with their express permission and in accordance with the school's policy on the use of digital and video images

- I **will not** use my personal equipment to record images, unless I have express permission to do so. Where these images are published (e.g. on the school website or the school's Managed Learning Environment (MLE : Fronter) it will not be possible to identify individuals by name or by any other personal information
- I understand that images taken whilst undertaking Woodford County High School duties, taken on personal equipment remains the intellectual property of Woodford County High School. Staff must use a school-allocated memory card in any camera (personal or school owned) available from a member of the IT dept.
- The school respects the wishes of parents who do not want photographs of their daughter to be used

Social Media

- I will observe this policy in the use of social network sites
- I will not engage in any on-line activity that may compromise my professional responsibilities. I will behave online in line with the Teacher Standards (2012) and other guidelines from the Dfe.
- I will not write or upload any defamatory, objectionable, copyright infringing or private material, including images and videos, of pupils, parents or staff on social media or websites in any way which might bring the school into disrepute.
- I understand the damage that could potentially be suffered to both myself and the school's professional reputations by inadvertently allowing students and parents free access to the contents of my personal Social Media accounts, and will therefore ensure that privacy controls are set at the appropriate levels for each personal Social Media account that I have
- I will not become "friends" with current students or their parents using my personal Facebook account
- I will not "follow" current students or their parents using my personal Twitter account
- I will apply similar control and consideration to any other existing or new and emerging personal Social Media accounts
- I will ensure that any private social networking sites, websites or blogs etc. that I create or actively contribute to, are not confused with my professional role in any way
- I will make sure that my Internet presence does not bring the teaching profession into disrepute and that I behave online in line with DfE, GTC and TA guidelines.

Personal Contact Information

I will not share my personal contact information (home address, phone number, mobile number, personal social networking details or email address) with current pupils. I accept that pupils may find these details out, and that any contact should be logged and either not reciprocated, or replied to in
