Woodford County
HIGH SCHOOL FOR GIRLS

Dear Parents, Carers and Y11 Students

At Woodford, we build our Sixth Form curriculum around the aspirations and subject choices of our students. To help us design our option blocks and staffing structure for next year's Year 12 cohort, we need an indication of the subjects prospective students are currently considering studying.

If your child is considering applying to Woodford Sixth Form, please support them in completing the preliminary A Level options form below:

Year 11 External applicant preliminary options form – Fill out form

Please note that this is **not an application form**. The purpose of the form is to allow us to gather information about potential subject combinations so that we can construct option blocks that provide students with the greatest possible choice and minimise subject clashes.

Completing this form does **not** guarantee a place in the Sixth Form, a place on a particular course, or a specific combination of A Levels. It is simply an opportunity for us to understand the preferences of prospective students before the application process opens.

Once the curriculum model has been finalised, the Sixth Form application form will be published on our website in November. Applicants will then be able to make their formal course choices from the option blocks that have been created based on student feedback.

For further information about the options process, guidance on choosing A Levels, and ways to support your child in making these decisions, please view Mrs McDermott's presentation here:

Year 11 into 12 options process.mp4

We hope that you and your child will consider Woodford for further study, and we look forward to receiving an application from your child in the coming months.

Best wishes,

Mrs McDermott
Deputy Headteacher
