

Woodford County High School Old Girls' Association

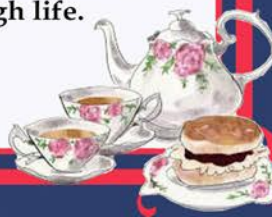

Huge congratulations to all the amazing students who have completed their academic studies at WCHS. You've survived lockdowns, enforced isolations, international crises, and proved your resilience and focus 'in your work and your play.' The Old Girls' Association is really proud of your achievements - you have our respect!

A Special Offer to all WCHS Leavers

Our School is famous for nurturing the talents and skills of its students, achieved through seriously hard work, fun, and a belief in excellence, both academically and socially.

So, the WCHS OGA would like to welcome all you recent school leavers to join our OG community, to keep in contact with and meet up with your old friends and to make new ones as you follow your path through life.

The Old Girls' Association has been a useful contact between the School and former pupils since 1929. Many of the friendships made during school years are still strong and will continue irrespective of the OGA, but for some members, attending our AGM and Birthday Tea has been an opportunity to reestablish lost contacts and strengthen others.

The School Birthday brings former pupils and teachers back to Woodford every year. We organise one annual gathering for members, held on the last Saturday in September. If you have a special year coming up, you can organise a reunion and look forward to meeting your friends at the OGA Birthday Tea.

Whilst you wander around the School, soaking up the atmosphere of Woodford, the OGA can reserve a special 'Birthday Table' for you to sit together and 'Look back, and forgetfully wonder what you were like in your work and your play.' It's a great way to catch up with old friends and remember your old school days, whether it is 1 year, 5 years or even 40 years on!

We have a Facebook page and distribute an annual newsletter for Members in which we share news and photos. We also sponsor small annual prizes which are awarded at the discretion of the Headteacher to nominated pupils in recognition of their service.

We offer an honorary (free!) subscription to all WCHS School Leavers which will cover your first 3 years of membership. Normally, the annual subscription is £5.00 and payment is made by standing order, bank transfer or (if neither of these is an option for you) by cheque, although this does incur bank charges for the OGA.

If you would like to join us, please email, giving your name and address: membership.wchsoga@gmail.com
