## Can you offer a Y11 student work experience during the summer?

Help our young people gain real-world skills by creating opportunities in your workplace or community.

The placement should be for two weeks (from 29<sup>th</sup> June), however we can be flexible. If you are able to accommodate one of our students, please fill in the form below or contact Ms Summers [summrsh@woodford.redbridge.sch.uk](mailto:summrsh@woodford.redbridge.sch.uk)

# 6 Finding Work Experience Tips!

## 1 Questions to ask yourself

If you're not sure what type of work experience you want to do, start by asking yourself a few simple questions:

- What are my interests?
- What types of career paths appeal to me?
- What are my strengths? My weaknesses?
- What hobbies do I have and do any of them relate to careers?

## 4 Plan ahead

Once you've got the dates confirmed, make sure you start looking for placements in plenty of time. Some work experience placements are quite competitive, so getting your application in early will give you an edge over less organised candidates. Researching placement options might also show you some exciting options you didn't know you had.

## 2 Use your network

You can ask friends and family if they know of any employers you could approach, or even if you could do work experience at their workplace.

Look out on Woodford's bulletins for a variety of different opportunities too!

## 5 Don't put too much pressure on yourself

Work experience is a learning activity first and foremost. Committing to a work experience placement doesn't mean you're committing to a career in that industry.

So if you're not sure what you want to do yet, don't panic. Work experience is never wasted as long as you go into it with an open mind and plenty of enthusiasm,

## 3 Apply directly with an employer

If you'd like to work for a particular employer, you can apply directly. First, do a Google search for the name of the company and "work experience". If they have an existing scheme in place, this will direct you to the appropriate webpage. Many large companies have well-defined work experience schemes with a specific application process.

Don't forget that you're not limited to traditional businesses, either. Many charities and public sector organisations also offer work experience placements.

## 6 Follow up on your applications

Work experience placements are competitive. Therefore, it's a good idea to apply for several placements. This will ensure you end up with something that will be beneficial to you.

Also, do not hesitate to contact the employer if you have not heard from them. They might just need a reminder to say yes!

WOODFORD ROBOTICS

# ROBOTICS

## Latest Update from Woodford Robotics

Our robotics programme has had an exceptional start this term. The level of innovation, teamwork and resilience shown by the students has been outstanding.

### Breakthrough Research and Innovations

They are already deep into the design and build stages of their robots, learning to solve real engineering and computational problems and developing computational thinking skills that go far beyond the classroom.

### Innovative Mindset

The atmosphere in the Innovation Lab has been energetic and purposeful. It has been inspiring to see how quickly they have grown in confidence, creativity and technical ability.

## Getting Ready for Internal Trials

We'll keep you updated on their milestones and achievements, and we look forward to celebrating their progress with you throughout the year.

## PARKING / STOPPING AROUND THE SCHOOL

We frequently receive complaints from residents around the school, regarding parents from this school, parking on double yellow lines, parking across their drives and blocking the road.

If you do drive your child to school, please park at the Sir James Hawkey Hall car park (IG8 0BG - see map below). It is a short distance from the school with ample parking available. If you are unable to do so, then please show consideration to our neighbours. Students can easily be dropped a short distance from the school and walk the remainder of the journey.

Could we also request that when collecting or dropping off your child, you do not sit with your car engine idling. We appreciate your co-operation.

**\*\*\* DONATIONS \*\*\***

**\*\*\* NEEDED \*\*\***

The Medical Room is seeking donations of new white socks / tights in various sizes to keep as spare items for students who may need to change, due to reasons such as accidents, wet feet or falling over.

Please send your donations to Mrs Kaye or Mrs Mann in the Medical Room, where they will be stored for future use.

Thank you in advance.
