

# GCSE Music Trip—May 2025

## Mean Girls The Musical

Before the May half term, we took the Year 10 GCSE class to see the musical Mean Girls. Whilst the music and storyline were far more modern than that of Hadestown, the musical was nonetheless enjoyable.

Covered in confetti shot from a canon, we laughed at the witty dialogue and were in awe of the fantastic vocals on display.

Janice and Damian, the effortlessly funny and vivacious duo, were my favourites; providing a needed break from the 'plastics' and driving much of the action of the show. This trip was a lovely way to end the half term!
