

# Redbridge Choral Festival

On Tuesday 11th March 2025, the Music Department took 75 students across all year groups to the Royal Albert Hall to perform in the Redbridge Choral Festival.

It is amazing to think that our students at Woodford have joined the long list of musicians and groups who have performed in the Albert Hall, including The Beatles, Frank Sinatra, The Royal Philharmonic Orchestra and Adele to name just a few.

It was an incredible evening of singing, and the students impressed with their enthusiasm and effort throughout. On top of our sizeable choir, Woodford also had five students singing in the Redbridge Youth Choir and ten playing in the Redbridge Symphony Orchestra.

This vast number of participating students from our school is not only testament to the musical talent we have at Woodford, but also our students' hard work, dedication and desire to branch out beyond their academic work.

*Lottie Young, Curriculum Assistant to Music*

**Sophie (12JMC)** also covered the event on behalf of the Young Reporters Scheme. Read her account of the event at the Royal Albert Hall [HERE](#)
