Become a volunteer for the WCHS Mock Interview Day

Tuesday 14th July 9:00-13:00

Main Hall

Calling for parent volunteers!

Students in Year 12 will have the opportunity to practice their interview skills and applying for jobs, through a 20–25-minute mock interview. The students would have applied to one of the sixteen job adverts, with CVs and cover letters and the volunteer will interview the student according to the job advert and description.

According to a survey, there is a high interest (and therefore we need many volunteers) in the following sectors :

Medicine

Business & Finance

Dentistry

Engineering

Psychology

Arts & Media

Science & Research

Politics & Social Care

Law

Tech

It would be fantastic to have you on board if you work or have experience in the above sectors or others. If you are interested or would like to know further information, please email in at summersh@woodford.redbridge.sch.uk

Work Experience

EXPERIENCE MORE.

Make the Most of Work
Experience – The Morrisby Way.

STEP
1

GET CURIOUS.

During your work experience, make sure to discover more about different career paths, daily responsibilities, and transferable skills.

STEP
2

ASK THE RIGHT QUESTIONS.

Ask your employer or colleagues about their first job after leaving school, who they wanted to be, and how they got to where they are now!

STEP
3

DON'T STOP LEARNING!

Once you get chatting, you'll be surprised by how much you learn! Make sure to speak to a wide variety of people in your workplace to get new ideas for the future.

STEP
3

KEEP AT IT!

It's normal to contact more than one employer to find the right fit, and not hearing back doesn't mean you've done anything wrong!

THINK BIGGER.

Show the Value of Work
Experience – The Morrisby Way.

STEP
1

IDENTIFY THE SKILLS YOU USED.

For example, if you have helped customers or fixed a small issue, you have used communication and problem-solving skills.

Hay Fever Medication & Warmer Weather Reminder

As we move further into the spring and summer months, we are seeing an increase in hay fever symptoms among students. To help ensure your daughter is comfortable and able to learn without disruption, please make sure she takes any required hay fever medication **at home in the morning before coming to school.** This greatly helps to manage symptoms throughout the school day.

With the warmer weather approaching, we also ask that every student brings a **refillable water bottle** to school each day. Staying hydrated is essential for wellbeing and concentration, especially during hotter periods.

Thank you

Cyber Security Awareness

We have recently published two new cyber security awareness videos to support both students and families in staying safe online.

These short videos cover important topics such as fraud awareness, scam awareness, recognising potential threats, and practical steps to protect personal information in today's digital world. They have been created as fun, music based videos, which we hope will get key messages across in a new and engaging way.

You can access the videos via our official channels:

- **YouTube:**
<https://www.youtube.com/channel/UCa7iNAR4EgvsbaPa1EgAKJw>
- **Instagram:** https://www.instagram.com/wchs_uk/?hl=en

We will continue to add a new cyber security video every two weeks, so please keep an eye on our channels for regular updates.

We encourage you to watch these together with your child and use them as a starting point for conversations about safe and responsible use of technology at home.

Thank you for your continued support.
