

Winston

The Woodford Bear

Winston, our Woodford Bear, stands (or rather sits) 25cm tall and sports the familiar blue WCHS sweatshirt (embroidered). A soft and cuddly teddy, he's hand washable and conforms to European safety standards. He will be a companionable addition to bedrooms and study rooms and a reminder of Woodford for girls setting off to university and beyond.

By providing Winston with a new home, you will be helping our Parents and Friends (the PFA) to support the work of Woodford County High School

Winston is of course named after Britain's WW2 Prime Minister, M.P. for Woodford and a regular visitor to the school
