

### Pupil Premium Information 2019-2020

#### Background

The Pupil Premium is allocated to schools for children of statutory school age from low-income families who are known to be eligible for Free School Meals (FSM) in both mainstream and non-mainstream settings, also for children who have been looked after continuously for more than six months and also for children whose parents are currently serving in the armed forces.

From 2012-2013 this will also include pupils eligible for FSM at any point in the last six years (known as the Ever 6 FSM measure).

Schools are free to spend the Pupil Premium as they see fit. However we will be held accountable for how we have used the additional funding to support pupils from low-income families. From September 2012 we are required to publish online information about how we have used the Premium. This will ensure that parents and others are made fully aware of the attainment of pupils covered by the Premium and the extra support that they receive.

#### Use of Pupil Premium 2019-2020

In 2019-2020 the level of the premium was £935 per pupil known to be eligible for FSM and those in care and £300 for those children whose parents serve in the armed forces. At the beginning of the year we had 74 eligible students on roll and we received a total of £69,190 for Pupil Premium in the year.
