Message from Harrison Catering re supply Issues with some foodstuffs

Dear Parents and Carers, Harrisons have advised that they are currently experiencing issue with the delivery of some food items (currently samosas and spring rolls). This may affect those who recently ordered these items via our weekly menu request. Harrisons aim to provide an alternative product, however if this is not acceptable, then students will not be charged for items that were ordered but not available on the day.

Harrisons are addressing this by ordering items ahead of when they are needed and also ahead of when the menu is released. We believe this is a temporary issue and one affecting a number of suppliers in food retail. The items affected are very limited and we are not expecting significant disruption to food supplies.

Thank you

ORDERING CANTEEN FOOD – MENU – WEEK 2

INSTRUCTIONS FOR THE PRE - ORDERING OF SCHOOL

A reminder the process:

- ☐ Meals must be pre-ordered the week before using the link provided.
- ☐ There is an electronic menu that students will need to complete by a specified time each week.
- ☐ Students must complete their choices for the whole week or for their chosen days. They will be asked to enter their name and form and their daily selection.
- ☐ If a student chooses not to take a canteen lunch on any of the five days (for example, they choose to buy food from the canteen Monday to Thursday but not Friday), then they must bring a packed lunch from home on the Friday. The canteen will only prepare meals based on the pre order forms submitted.
- ☐ No payments will be accepted in the canteen. Harrisons will charge student accounts daily based on their preorder form. It is important that you have sufficient funds on your ParentPay account for these charges to be made.
- ☐ Should a student be absent on the day a meal has been ordered, you can cancel the meal by emailing enquiries@woodford.redbridge.sch.uk by 8am on the day of absence and you will not be charged for any food that day.

If a student is to be absent for more than 1 day, please provide this information in your email and all food choices will be cancelled and no charge made.

Food can be ordered by selecting the link below – this will open up the form, selecting the dishes you would like for each day of the week .

You should enter your First name, Surname, Form and your menu choices for each day you require a canteen lunch.

You should then click on the Submit button at the end of the form. Please take care with your selection and ensure that you have ticked all the relevant options before you submit the form.

The cut off point for ordering remains 9pm Sunday evening.

Dear Parents'

Please find below this month's online safety video on 'Digital Footprints'. This is a four minute video, please do make time to watch this and discuss with your daughter.

Young people today are constantly reminded that the things they do and say online won't go away. Often we focus on the downsides of having a permanent & public digital footprint but your child's online presence can be just as beneficial if it is a positive one, one that reflects their skills & interests etc. Help your child make their digital footprint work for them.

We have witnessed for ourselves and had numerous complaints from members of the public about dangerous, illegal and inconsiderate parking in the roads around the school.

The High Road is a very busy road and drivers not giving due attention to the Highway Code are very likely to cause accidents.

Please be sure not to block access to Haven House or to Lodge Villas off of the High Road.

Please note that there is a yellow line on the High Road.

Please be sure not to stop as soon as you turn into Charter Road (from the High Road) as this blocks traffic back into the main High Road.
