

16-19 DISCRETIONARY BURSARY FUND 2021/22

This guide covers the 2021/22 Discretionary Bursary Fund, which is available to support those young people who face the greatest financial barriers to continuing in education or training post-16.

What is the 16–19 Discretionary Bursary Fund?

In September 2011 the 16-19 Bursary was introduced to replace EMA (Educational Maintenance Allowance). In September 2012, WCHS began administrating the 16-19 Discretionary Bursary Fund for our own Year 12 and 13 students independent of the Local Authority.

How do I qualify?

To qualify you must be:-

- aged 18 or under on the 31st of August in the academic year in which you start your programme of study (where a young person turns 19 during their programme of study, they can continue to be supported to the end of the academic year in which they turn 19, or to the end of the programme of study, whichever is sooner)
- a student in Year 12 or Year 13 at Woodford County High School.

There are three levels of Bursary and you can apply for one only:

Level 1 – Vulnerable Learner Priority Group: For those most in need, such as young people in care, care leavers, young people receiving income support, and disabled young people receiving both Employment Support Allowance and Disability Living Allowance, can apply for a Bursary of up to £1,200 per year. **Documentary evidence will be required.**

Level 2 – Student currently in receipt of Free School Meals*: Level 2 Bursary can be allocated to students who need support to overcome financial barriers that might prevent them continuing in full time education. This Bursary is for students who were eligible for Free School Meals* in Year 11 and continue to meet these criteria in the Sixth Form. They will receive a Bursary according to need, for identified and agreed costs outlined in the application process. **Documentary evidence will be required.** Amounts paid will be subject to the number of applicants and the availability of funds.

*Free School Meals criteria – do you qualify? Parents or guardians receiving the following benefits:

- Income Support
- Jobseekers Allowance (Income Based)
- Income Related Employment & Support Allowance
- Child Tax Credit with an annual taxable income of less than £16,190.
- Pension Guarantee Credit
- Universal Credit

Please contact the Redbridge Awards & Support Team on 020 8708 3114, should you require any further information regarding Free School Meals.

Level 3 – Student whose current total household income is less than £21,000 per annum including benefits: Level 3 Bursary is for those students whose current total household income is less than £21,000 per annum including benefits (and that no other income is available from another household to support the student) **Documentary evidence will be required.** Amounts paid will be subject to the number of applicants and the availability of funds.

N.B: The Bursary payment to schools is a fixed sum and not awarded on a per student basis. WCHS may have to vary the amount of bursary payment awarded per student to deal fairly with the numbers of eligible students in its Sixth Form. Amounts paid will be subject to the number of applicants, the level of need and the availability of funds. Awards will be dependent on meeting agreed standards of academic progress and excellent attendance (no unauthorised absence from lessons). Approved applicants will need to complete a 16-19 Student Bursary Fund Learner Agreement on collection of their first payment.

What can the money be spent on?

The Discretionary Bursary is intended to assist students with costs needed to help a young person stay in education such as books, equipment, travel to and from school, refreshments whilst at school, higher educational visits and open days, academic enrichment activities (e.g. Villiers Park) and, where appropriate and recommended, examination re-sits. Where funds are awarded, the school will facilitate payments to students on an individual basis dependant on the needs of the student and associated costs.

Students accepted to receive the bursary **may be** eligible to claim additional costs associated with specific activities, eg open days etc. Such requests must be made in writing to the Head of Sixth Form and are not guaranteed.

If I am in one of the eligible groups what evidence will the school need to see?

Please see the application form for full details of evidence/documentary support required.

How do I apply?

You should apply by completing the application form below. Completed applications should be addressed to the Head of Sixth Form and returned to Mrs. Myers, by hand, with supporting evidence/documentation. Please note that all supporting evidence provided must be original documents which will be photocopied and returned.

The deadline for receipt of applications is **Friday 1 October 2021**. Only in the event that a student's financial circumstances change part way through the year will late applications will be considered. Such requests should be brought to the attention of Mrs. Myers. All applications and evidence will be treated with the strictest confidence.

16-19 Discretionary Bursary Fund Panel

Our School 16-19 Discretionary Bursary Fund Panel will comprise the Head of Sixth Form, the School Business Manager and the Sixth Form Administrator. Decisions of the panel may be subject to scrutiny by the Head Teacher. The panel will sit at the end of September 2021 to review the applications, assess each claim and authorise payments.

When will decisions be made?

Decisions will be communicated in October 2021 by letter. Students will be advised by email when letters are ready and will need to complete a 16-19 Student Bursary Fund Learner Agreement on collection.

How are payments administered?

Payments will be made on a financial need basis and will be calculated for each eligible student individually. Decision letters will include the maximum amount allocated to the student and the amount available to spend each term. Once the 16-19 Bursary Learner Agreement has been signed and returned, students may receive a small payment to cover start of year upfront costs. Following this initial payment, students will be required to complete a reimbursement form to claim money from their bursary to cover the cost of any items. Claims will be processed once per half term – the claim form should be completed, with receipts for purchases attached, by the end of the half term, for payment in the first two weeks of the following half term. Should students need help with purchasing a larger item which they would prefer the school to pay for upfront, they should speak to Mrs Myers to discuss this further.

Applications approved will be monitored and evaluated throughout the year and reports given to the Bursary Panel regarding students failing to meet the conditions of the Bursary. The Bursary may be withdrawn at any time a student fails to meet the criteria in accordance with the Learner Agreement.

Please note that students will need to have their own bank account in order to receive Bursary cheque payments. Students aged 16+ are able to open a basic bank account to facilitate this. Bursary payments will not be made payable to another person's account, except in exceptional circumstances where a student is unable to administer their own account.

WCHS Sixth Form may choose to pay the Bursary either as a cash payment or to provide 'in kind' support, for example, by purchasing books that eligible students need for particular courses or paying re-sit examination fees.

Students will be notified once, by email, when payments are ready for collection. Students should note that it is their own responsibility to check their emails regularly and collect payments promptly. Cheques which remain uncollected beyond a reasonable time will be cancelled.
