Weekly Student Bulletin

Tuesday 2nd March 2021

Issue No 5

Welcome to Bulletin No 5

The aim of this bulletin is to give you important information and reminders from your Heads of Year or other members of staff.

It will include information about events taking place at and around school that you can take part in.

Also there will be wellbeing and support advice as well as reminders about how to access support if you should need it.

Hopefully, as more editions are produced students will be able to have an input too.

[Grayson Perry's Art Club](#) is back for a second series and we can't wait!

Some of you may already know that during the first lockdown, Grayson's Art Club provided a creative outlet that helped us get through a challenging time. Well we are shadowing him again...this series the themes are: Family; Nature; Food; Dreams; Work & Travel. All year groups can get involved- you don't have to submit artwork for all 6 weeks/themes- it can be even for one of the weeks or for your favourite theme out of the 6!

If you want to participate, you can submit your art work online directly to Grayson @

<https://www.graysonsartclub.com/submit-your-art>

Additionally, we at Woodford would love to see all your amazing art so please submit a photo of your artwork to Mrs Horn at:

Hornd@woodford.redbridge.sch.uk each week or by **Friday 19th March 2021**, latest.

Try to ensure that your photo is of professional quality, it is clear and has been taken in a well-lit environment. Also keep an eye on the school's Twitter feed and Student Bulletin, for your art making a showcase!

We will be collecting artwork submissions up until the deadline of **Friday 19th March 2021** and once in, we will select the 3 winners from each theme, who will all receive a special PRIZE!

If you would like to know more on this great art project or have any questions, then please talk to your Art teacher or Mrs Horn in the Library.

 - 1. Write a recipe on a Word document**
 - 2. Prepare the dish with Adult supervision.**
 - 3. Take a picture of the final dish and a picture of yourself with the dish.**
 - 4. Send the two pictures and the recipe sheet to foodentries@woodford.redbridge.sch.uk**
 - 5. In the subject of your email include Year group, Form class and your full name**

During this lockdown, 7A, 7B and 7C have learned a lot about colour theory this term. They created these wonderful original and creative colour wheels from home. We usually explore Tertiary colours at school while weighing the right amount of powder paint!! I am so impressed that year 7 still managed to do so with the most unusual resources, objects and using their creativity. Thank you to all of them for brightening our days with their good sense of humour and use of colours.

Woodford County High School Composition Club!

Dear Student,

During these remote times, the BBC have been very helpful in putting together some great resources for us all to continue to make music at home.

As part of this initiative, I would like to introduce you to the *brand new* **Woodford County High School Composition Club!**

To get started, simply:

1. Choose a composition style from the **BBC** link below and read through the instructions and tutorials: ***Including genres such as: Film music, Indian fusions, Pop, Jazz, composing a new theme song for Doctor Who...***

<https://www.bbc.co.uk/bitesize/topics/zhdfscw>

2. Join the **eduBandLab** link below to access the **WCHS Composition Club class** and free music sequencing software. (Remember to seek parental permission if visiting another site on the internet). <https://edu.bandlab.com/join/mc8q8sf> - then enter the following pin:

M C 8 Q 8 S F

3. [Join the WCHS Composition Club \(MS Teams\)](#) where you can interact with Mr. Ashman-Jones on your composition work.

Also, look out for 'Singing with the BBC Singers' being shared on the choir Teams with further details (link below).

Wellbeing Tips from Mrs. Holman

Back to school

How amazing to be able to see your friends again! However, remember that everyone has had a different experience during lockdown. It's been both a happy time for some and a sad or difficult time for others.

Be tolerant and caring about your peers' feelings and listen to what they are saying, without interruption or comment and do not judge them. Be a good friend.

If you or a friend are having a difficult time settling back in or would like to speak to someone about your experiences, please let your form tutor know.

Top Tips for Going Back to School

Be prepared

Make sure you are prepared for and understand what's different about being back. Talk about how things have changed e.g. facemasks to be worn in the classrooms

Focus on the good things

Please feel reassured that the current situation will not last forever and that any negative feelings you have should pass. Think about the future, what are you looking forward to and try to focus on those positives when you are worried.

Be careful

Understand what the school is doing to make things as safe as possible, as well the things you can do yourself to stay safe from the virus. This should help ease any anxiety. Keep to the rules.

Re-establish a routine

Routines can be reassuring too. Try to get into the swing of what worked before as far as possible in terms of healthy eating, activity and sleep, or think about new routines that work better for the situation as it is now.

Reconnect with friends

It is good time to rekindle your friendships and see those you may not have been able to see, or keep in touch with, during lockdown.

If you are finding things challenging, as we all do from time to time, do remember to check that you are including the 5 ways to well-being in your daily life, in whatever way you can. Remember the 5 ways to well-being are:

Connect (Talk and Listen, feel connected, be there)

Be Active (Do what you can: Enjoy what you do: Move your mood)

Take Notice (Remember the simple things that give you joy)

Keep Learning (Embrace new experience, see opportunities, surprise yourself)

Give (Your time, your words, your presence)

It is often helpful to talk through concerns or worries with family or a friend so do both reach out to others and be there for your friends and family should they need to talk to you. Sometimes talking through a worry can really help.

Sometimes it may be helpful for you or a friend to access support to access help outside of or in addition to family and/or friends. You can contact the school in several ways to do this and there are various people who can offer help and support.

CONFIDENTIALITY

If you speak to a member of school staff about a private matter this will usually remain confidential between you and that member of staff. If the member of staff thinks that it is a good idea to involve someone else such as another member of staff, an external agency or your parents they would talk to you about this and get your consent. However, all members of staff have a duty to pass on information to only the school Safeguarding Team if they had concerns about your own safety or that of another member of the school community. The Safeguarding Team is limited to Mrs Greenfield and Mrs Holman.

HOW TO ACCESS SUPPORT

Tootoot – this is a way of contacting the school anonymously. You can access Tootoot from the School Website and you would have been sent a login to your school email at the start of the year. You can use Tootoot to get help with problems that you are having at school or to report something you are worried about. There is a small selection of staff who will receive your message when it is sent and will endeavour to answer as soon as they can.

Form tutor – the first place you should go if you have any problems is to your form tutor. They will offer advice if they can and /or will direct you to the relevant person in the school who can help. Currently you may be able to speak to your tutor at the end of a Teams Meeting or by emailing into the relevant KS Administrator asking your Form Tutor to contact you (you would not need to give any details). You could also get a message to them through Tootoot but would need to give your name so that they would know who to contact.

Head of Year – form tutors usually work closely with Head of Year. You can also go directly to your Head of Year if you would prefer to do this.

Continued below/

Student Guidance Team – Mrs Holman and Ms Menon are available to speak to you if you have a problem, whether related to school or more personal and will guide you as to the best way to deal with the problem. They may offer to see you again themselves or advise you to see a school counsellor.

School Counsellor – Feeling overwhelmed? Scared because your parents are splitting up? Feel like you don't fit in? Sometimes it's just not possible to sort through tough times alone. Problems can build up and you may lose sleep, find you can't concentrate on school work/homework, or even become depressed. When you need to talk to someone, your school counsellor can be a great person to help you through your bad times. They will listen and help. They'll take your problem seriously and work with you to find a good solution. School counsellors are trained to help with most issues. Please speak to your Form Tutor or other member of staff or enquire via Tootoot. Speaking to a counsellor is informal, just like a chat.

Counselling is very informal, like having a chat and the Counsellors may ask questions or give advice. The sessions are about you and is your time to speak about what is worrying you.

NATIONAL SATURDAY CLUB

Free Saturday Clubs for all Year 9, 10 and 11 students - launching at 10am this Saturday 27th February for ten weeks

From this morning, we are keenly accepting online applications to all four Saturday Club programme options being hosted free of charge and virtual initially, then at our Barking & Dagenham College Campus as soon as we're able.

These exciting opportunities are available to all young people aged 13–16 and will develop advanced skills in areas that you currently enjoy or wish to discover and to learn much more about.

In 2021, we are offering the following four options:

Option 1 - Esports as a future career - This Saturday Club option would cover an introduction to employability roles within the growing Esports sector, alongside designing and the creation of content. The sessions will allow all Club members to experience broadcasting a live stream, looking at tactics\strategies when playing ESports and finally event planning and the organisation and hosting, of an end of course ESports Tournament. <https://saturday-club.org/club/barking-and-dagenham-college-esports/>

Option 2 - Film & Media creation - This Club would introduce you to our brand-new film and audio recording studio within the on-campus, East London Institute of Technology - ELIoT. All Club participants would get the amazing opportunity to create a short film and soundtrack and then edit both into a final broadcast standard, production. At the end of the programme, all the films would be showcased in a Film event held at the College and shown online nationally. <https://saturday-club.org/club/barking-and-dagenham-college-film-media/>

Option 3 - Creative Industries, Art & Design - This programme will immerse you in a wide range of exciting and engaging creative arts workshops exploring various Art & Design processes and using sector-standard equipment which will release and enhance all your inner skills and abilities. You will cover different areas of practices, from Fashion to Architecture to Graphic Design and much more. You will need an internet connection, a tablet/phone/computer to join, a free zoom account and something to draw with. <https://saturday-club.org/club/barking-and-dagenham-college/>

Option 4 - Art & Design, Designing and creating your unique phone case. You will be measuring your own phone using industry standard equipment, drawing the design in 2D and 3D using CAD and 3D printing, choosing and testing materials and finally, laser cutting to make the final and unique product. *You should have predicted pass grades in GCSE English, Maths, Science and Design & Technology would be preferred - this option will start online on Saturday 6th March.* <https://saturday-club.org/club/barking-and-dagenham-college-product-design/>

This is a free Saturday Club programme for all Year 9, 10 and 11 students - launching online at 10am this Saturday 27th February for ten weeks
