## *Weekly Student Bulletin*

Tuesday 29th June 2021

Issue No 18

### Welcome to Bulletin No 18

The aim of this bulletin is to give you important information and reminders from your Heads of Year or other members of staff.

It will include information about events taking place at and around school that you can take part in.

Also there will be wellbeing and support advice as well as reminders about how to access support if you should need it.

Hopefully, as more editions are produced students will be able to have an input too.

#### **VERY IMPORTANT: PLEASE CONTINUE TO REPORT YOUR LATERAL FLOW TEST RESULTS**

## is coming back!

**Tuesday lunchtimes in the hall – starting Tuesday 15<sup>th</sup> June**

1.00-1.40pm - come for as much as you can!

(Bring a packed lunch if possible so that you can eat before/after)

All year groups welcome – you will be socially distanced.

No need to read music – we'll be learning some easy pop songs for the Summer Showcase

# PRIDE MONTH

Dear Students,

As you may know, every June the LGBT+ community celebrates Pride Month across the globe. The month of June has been dedicated for this as this is when the Stonewall Riots took place in 1969, in Manhattan. These riots served as a catalyst for the rights of LGBTQ+ people. Pride is a movement which celebrates diversity as well as protesting against discrimination and violence as whilst the rights of the LGBT+ community have come a long way, there is still not full equality. There is plenty of information online about the history of the development of the rights for the LGBT+ community available online, for example –

<https://www.bbc.co.uk/newsround/40459213>

Remember, Pride Month is all about inclusivity and diversity. The priority is the promotion of equality and creating a community and a safe space for people to be who they are. If you, or anyone you know, has any questions about this or feel that they need some support then you can speak to a trusted adult at school such as your Head of Year or Form Tutor. Alternatively, the following websites might be of use –

- **Stonewall**  
For further information about LGBT+ and support, please see –  
<https://www.stonewall.org.uk/>
- **Give us a Shout**  
Accessed on –  
<https://giveusashout.org/>  
Or can be reached 24/7 via text on 85258
- **The Proud Trust**  
For information about local support groups, you can use –  
<https://www.stonewall.org.uk/>
- **Mermaids** (especially for young people who feel at odds with the gender they have been assigned)  
Accessed on - <https://www.mermaidsuk.org.uk/>  
Or you can call from Monday-Friday 9am-9pm on **0344 334 0550**
- **Switchboard** (an LGBT+ Helpline)  
Accessed on –  
<http://switchboard.lgbt/> for online chat and email service  
Or you can call from 10am-11pm everyday on 300 330 0630

Please look out for some information from me, most likely in the new year, when there are hopefully less Covid Restrictions with regard to the Pride Youth Network!

Take care now and Happy Pride Month!

Miss Keith

## ACTION PLANNING FOR A CHILD FRIENDLY REDBRIDGE

As we near the end of a very difficult year we are looking to the future and want to give young people a voice in shaping it.

**Can you please pass this on to the Young people you work with** and encourage them to come to the action planning session – we are hoping to have the Leader of the Council and the Redbridge's Chief Executive at the meeting to really hear what young people have to say about what they want for the future of the Borough.

**Action Planning for a CFR Redbridge- 5pm 19<sup>th</sup> July on Zoom.** If you are aged 11-19 years old then join us to tell the people that make the decisions in Redbridge what you want to see for YOUR future. **Sign up via [Eventbrite](#)**, places are limited and will be first come, first served. All young people who are registered [here](#) will get a **Summer goody bag** after the meeting. Watch out for **Special guests** and **invite your friends** – it is open to everyone. As this is the last meeting of the year, we will of course also have our usual **end of year fun and games**.

**Young girls and women's listening session 5pm on 30<sup>th</sup> June online** - Following the events that have happened on recent months, including the death of a young woman, Sarah Everard, on her way home. The council wants to listen your views. This is a chance for you to **raise your concerns, share your views** and **discuss ideas** you may have around helping to improve the safety of women and girls across Redbridge. **Spaces are limited to 20 young people**, so if you want to attend please email [Yusuf.patel@redbridge.gov.uk](mailto:Yusuf.patel@redbridge.gov.uk) and you will be sent a link to the meeting. Please provide your full name in your email.

**Climate Change - 6pm on Wednesday 14 July:** Tickets are still available on [Eventbrite](#), to hear about the Climate Change action plan. The **virtual launch** event with the Leader of Council will include **national guest speakers** and is opportunity for you to **ask questions**. If you would like to attend the event **please sign-up**.

**Life as an LGBT+ young person** - Barnardo's are excited to announce the launch of our [survey](#). It's open to any young person aged **13-19 in England**, who identifies as LGBT+ and/or who is questioning their identity. It aims to provide an insight into what LGBT+ young lives are currently like, exploring safety and support in different spaces, like school and the home. LGBT+ young people have been involved in the design of the survey, and it's a really exciting opportunity to effect positive change, as LGBT+ young people can get their voices heard on a national level. Everyone who completes the survey has a chance to win one of ten £50 gift vouchers!

**London Careers Festival 28 June-2 July 2021** – this online festival has a wide variety of workshops for you to attend link [here](#)

**Student commission on Racial Justice**, have produced a video [#It all adds up](#). The commission's report is out on 24<sup>th</sup> June and their priorities for racial justice are education and police and more community work. **Help support their work by sharing this video.**

**Please do not hesitate to contact me if you have any questions about any of the information.**

## Year 7s COVID Research

Dear year 7's

There is currently research being done at UCL (University College London) on the impact Covid-19 and the subsequent lockdowns have had on current year 7's particularly looking at the transition between year 6 and 7. Your input in this survey would be greatly valued.

The survey is optional and there is an option to have an online interview. You may also withdraw your responses should you wish to.

Please complete this survey with your parents at home. It should not take longer than 10 minutes and will provide critical information to the researchers at UCL on how the pandemic has affected your year group as a whole

The link below take you to the survey and this will also be on Satchel One:

<https://redcap.slms.ucl.ac.uk/surveys/?s=ADXTWYNJTN>

Thank you in advance

Miss Zakir

## Year 7 – Build your Legend 3D Robot Trophy

**WINNER's will appear here next week!**

**Have you won?** check your inbox, I will be sending an email to all the winners with information about your prize today!

A big thank you to everyone who participated, I hope you enjoyed making your Robots.

Best wishes  
Mrs Del Giudice

Dear Student

Please find below this month's online safety video on 'Digital Footprints'. This is a four minute video, please do make time to watch this and discuss this with your parents and friends.

As young adults you are constantly reminded that the things you do and say online won't go away. Often we focus on the downsides of having a permanent & public digital footprint but your online presence can be just as beneficial if it is a positive one, one that reflects your skills & interests etc. Make your digital footprint work for you.

## Beyond the Box Competition called the People's Baviion

A year 11 student took part in the above competition and she has been shortlisted to be one of the potential winners.

Please see images of her exhibition which is being held at Here East buildings in the Olympic Park until the 30th of June 2021. The purpose of the competition was to promote/encourage young people into design with collaboration from businesses. The student's team is called Apes (pronounced Ar-pes which is Latin for bees).

Please vote for her to win! A link for voting is attached.

## Strategies that can help with anxiety:

### **Breathe slowly and deeply.**

You can count slowly to five as you breathe in, and then five as you breathe out. If this is too much, try starting with shorter counts. If it works gradually breathe out for one or two counts longer than you breathe in. This can help your body to relax.

### **Think of a safe and relaxing place in your mind.**

It could be your bedroom, a grandparent's house, a favourite place in nature or somewhere you have been on holiday. Sometimes holding a memento of a relaxing place, like a seashell or pebble, can help.

### **Try using all five senses together.**

Connecting with what you can see, touch, hear, smell and taste can bring you closer to the present moment and reduce the intensity of your anxiety. You might think about five things you can see, four things you can touch, three things you can hear, two things you can smell and one thing you can taste.

### **Try to do something that helps you to feel calmer.**

This could be running, walking, listening to music, painting, drawing or colouring-in, writing in a journal, baking, watching a favourite film or reading a favourite book.

*\*Remember that everyone is different, and that over time you will find the things that work best for you in these moments.\**

If you are finding things challenging, as we all do from time to time, do remember to check that you are including the 5 ways to well-being in your daily life, in whatever way you can. Remember the 5 ways to well-being are:

**Connect** (Talk and Listen, feel connected, be there)

**Be Active** (Do what you can: Enjoy what you do: Move your mood)

**Take Notice** (Remember the simple things that give you joy)

**Keep Learning** (Embrace new experience, see opportunities, surprise yourself)

**Give** (Your time, your words, your presence)

It is often helpful to talk through concerns or worries with family or a friend so do both reach out to others and be there for your friends and family should they need to talk to you. Sometimes talking through a worry can really help.

Sometimes it may be helpful for you or a friend to access support to access help outside of or in addition to family and/or friends. You can contact the school in several ways to do this and there are various people who can offer help and support.

## CONFIDENTIALITY

If you speak to a member of school staff about a private matter this will usually remain confidential between you and that member of staff. If the member of staff thinks that it is a good idea to involve someone else such as another member of staff, an external agency or your parents they would talk to you about this and get your consent. However, all members of staff have a duty to pass on information to only the school Safeguarding Team if they had concerns about your own safety or that of another member of the school community. The Safeguarding Team is limited to Mrs Greenfield and Mrs Holman.

## HOW TO ACCESS SUPPORT

**Tootoot** – this is a way of contacting the school anonymously. You can access Tootoot from the School Website and you would have been sent a login to your school email at the start of the year. You can use Tootoot to get help with problems that you are having at school or to report something you are worried about. There is a small selection of staff who will receive your message when it is sent and will endeavour to answer as soon as they can.

**Form tutor** – the first place you should go if you have any problems is to your form tutor. They will offer advice if they can and /or will direct you to the relevant person in the school who can help. Currently you may be able to speak to your tutor at the end of a Teams Meeting or by emailing into the relevant KS Administrator asking your Form Tutor to contact you (you would not need to give any details). You could also get a message to them through Tootoot but would need to give your name so that they would know who to contact.

**Head of Year** – form tutors usually work closely with Head of Year. You can also go directly to your Head of Year if you would prefer to do this.

Continued below/ .....

**Student Guidance Team** – Mrs Holman and Ms Menon are available to speak to you if you have a problem, whether related to school or more personal and will guide you as to the best way to deal with the problem. They may offer to see you again themselves or advise you to see a school counsellor.

**School Counsellor** – Feeling overwhelmed? Scared because your parents are splitting up? Feel like you don't fit in? Sometimes it's just not possible to sort through tough times alone. Problems can build up and you may lose sleep, find you can't concentrate on school work/homework, or even become depressed. When you need to talk to someone, your school counsellor can be a great person to help you through your bad times. They will listen and help. They'll take your problem seriously and work with you to find a good solution. School counsellors are trained to help with most issues. Please speak to your Form Tutor or other member of staff or enquire via Tootoot. Speaking to a counsellor is informal, just like a chat.

Counselling is very informal, like having a chat and the Counsellors may ask questions or give advice. The sessions are about you and is your time to speak about what is worrying you.

## **“Creative Writing Competition”**

Dear Students,

We hope you are well.

Thank you to those of you who have already entered our “Creative Writing Competition”. We have really enjoyed receiving all the entries so far!

There is still time for any children and young people, who wish to enter, to send us their entry before the closing date of **Thursday 1<sup>st</sup> July at 12pm.**

As a reminder, **we would like young people to write to Covid-19 through a letter, poem, diary entry or any other writing style they choose.** We will announce the winners before the end of the Summer Term and the best entries will be selected to compile a book which we will share with you all.

Please email entries to [REWT@redbridge.gov.uk](mailto:REWT@redbridge.gov.uk).

We look forward to receiving more entries from your school.

# Calling All Creative Minds: Writing To Reflect

*Enter now for your chance to win a programme place and tablet!*

At InvestIN, we want to finish the school year on a high by taking a moment to reflect on what we have gained this year, rather than what we have lost.

To celebrate National Writing Day, we're calling on students aged 12-18 to enter our '*Writing to Reflect*' competition. We're looking for positive, thoughtful submissions detailing a skill or life lesson you have learnt outside the classroom and how you think it will benefit your future.

Shortlisted entries will be judged by a professional writer and the winner will receive an Amazon Fire Tablet and a place on one of our 'Live Online' weekend programmes! For every entry, we'll make a donation to UNICEF, whose life-changing work helps children across

The world access education.

**The deadline for entries is Friday 6th August and must be no more than 250 words. Enter now for your chance to win!**

The **insurance sector** generates a significant impact to the GB economy and, believe it or not, is an interesting and vibrant section that dates back centuries. It's future is steeped in influencing the fourth industrial revolution and key advancements in technology, such as Artificial Intelligence, Quantum Computing, Robotics and Blockchain.

The world will always need insurance, and brokers are there on the front line helping their large corporate clients to have adequate risk management methods, including suitable insurance policies. However, the world is changing, and becoming increasingly complex with innovation often driving this change. There is a real need for experts who are able to innovate and use Design Thinking. Design Thinking is extremely useful in tackling problems that are ill-defined or unknown, by re-framing the problem in human-centric ways, creating many ideas in brainstorming sessions, and adopting a hands-on approach in prototyping and testing. It is based heavily on the methods and processes that designers use (hence the name), but it has actually evolved from a range of different fields — including architecture, engineering and business. Design Thinking can also be applied to any field.

What we want to do is bring together the next future of STEM leaders and help them learn more about Design Thinking and Innovation.

We would like to invite a group of around 20 female students (aged 14 – 18) who possess an interest in Science, Technology, Engineering and Maths based subjects, to take part in a virtual insight week with WTW to learn more about innovation.

Taking place in early March, as part of International Women's Day, each participant will have the opportunity to learn more about Design Thinking and what it means to be an innovator! Participants will be split into small groups, where (supported by a WTW coach) they will be taken on the journey of 'Innovation and Design Thinking'. They will undertake challenges that allow them to develop their innovative thinking skills. A skill which is highly sought after by many employers. At the end of the week teams will present their innovations to a panel with the winning team gaining a prize!

The course will run from Monday – Friday only, and will run for a maximum of 1.5 hours every day. We also ask that participants also have their own laptop to use throughout the week (with internet capability), along with an email address that can be used for invitation purposes.

If you're a young person interested in taking part in this exciting opportunity, please get in touch with **Rhoda Quist** at STEM Learning on [R.Quist@stem.org.uk](mailto:R.Quist@stem.org.uk) who will be able to provide more information and sign up details.
