Music activities will be starting on the week of Monday 13th September apart from senior choir which will start rehearsing on Thursday 9th. I would highly encourage people to attend as we have a wide variety of ambitious works, with all involved performing at our Christmas Concert on Thursday 7th December.

A brief description of musical activities:

String Orchestra: Open to all string players from grade 3 level and tackling classical repertoire.

Brass Ensemble: A visiting brass specialist from the Redbridge centre will be taking these, open to all brass players.

Junior Band: This ensemble is an excellent introduction to music at the school, available to all instruments and appropriate from novices up to roughly grade 3 equivalent standard.

Chamber groups: These are small ensembles which the music department will supervise and coach alongside proposed initiatives from students. I highly encourage anyone interested to speak to a member of the music department ahead of time to allow for planning.

Jazz Band: Mainly for years 10-13 instrumentalists, grade 4/5+ level - woodwind, brass, and rhythm section players (guitar, piano, bass, percussion) We play a range of swing, funk and pop tunes; encouraging learning to improvise confidently.

GCSE/A-level support: This is an ongoing class to aid any students taking the GCSE or A-level music course.

Senior Choir: A choir for all students in years 10-13, singing a wide variety of music from pop to jazz to classical. The Senior Choir performs at some of the school's traditional events – including the School Birthday coming up soon.

Junior Choir: A specialist vocal coach from the Redbridge Music Centre will be attending to lead this. It's an excellent opportunity for those in years 7-9 to attend regardless of prior experience.

Theory: These sessions provide a great boost in confidence for those who wish to understand the theoretical side of music not only to supplement music classes across all years, but also for aiding instrumental progress. Coaching will be based on ABRSM graded books, and will include anyone wishing to do their grade 5 theory exam, which is required for instrumental grade 6 and higher.

Orchestra: This is the main instrumental body of the school and is open to all relevant instruments of grade 4 equivalent standard or higher.

HALLOWEEN

Halloween is a holiday celebrated each year on October 31, and Halloween 2021 will occur on Sunday, October 31. The tradition originated with the ancient Celtic festival of Samhain, when people would light bonfires and wear costumes to ward off ghosts. In the eighth century, Pope Gregory III designated November 1 as a time to honor all saints. Soon, All Saints Day incorporated some of the traditions of Samhain. The evening before was known as All Hallows Eve, and later Halloween. Over time, Halloween evolved into a day of activities like trick-or-treating, carving jack-o-lanterns, festive gatherings, donning costumes and eating treats.

Rules:

1. Bake 6 cupcakes and decorate them with Halloween inspired decorations. The design on the top of the cupcakes is important but consider how the inside of the cake could be developed too! Work with adult supervision.
 2. Send your entries to GrantP@woodford.redbridge.sch.uk by Sunday 31st October 2021.
 3. Make sure you write the subject of the email as "October 2021 FN competition entry (then your full name and form)"
 4. Include a photograph of your decorated cupcakes and a picture of you with them.
- Include a short written piece on your cupcakes explaining your inspiration (not exceeding 100 words) and include the name of the cupcakes.

Hello Students,

Please find attached the Autumn 2021 Webinar Schedule. These are pitched at KS5 students. More events will be added when they become available. Some will clash with your timetabled lessons, I'm sorry if this is the case but your timetabled lessons always take priority.

Remember when registering for events – use your school email address. Personal email addresses will not give you access to webinars.

I intend to show some in the Library this term, these are highlighted in blue throughout this document. If you wish to attend an event in the Library email me to register so I can book the event on your behalf and set up the Library. There might have to be a cap on numbers for events (eg 20).

Any questions, do ask.

Much appreciated,

Vote For your WCHS *Child Friendly Redbridge* Ambassadors

In late September, The London Borough of Redbridge (LBR) asked all young people in Year 8 through to Year 12 in Redbridge schools to nominate themselves to become a Child Friendly Redbridge Ambassador for their school.

As an Ambassador, elected students will have a unique opportunity to work with the council and other organisations, such as the police and NHS, to make Redbridge a better place for young people. They will influence and help make decisions that positively affect young people from all backgrounds. LBR want young people to help steer the work they will undertake as part of the Child Friendly Redbridge project and provide a voice for themselves, their school and other young people in Redbridge.

LBR received nearly 300 nominations from across Redbridge schools. Thank you to everyone who nominated themselves. *Now it's time for all WCHS students to vote for their Child Friendly Redbridge Ambassador here at Woodford!*

LBR are now looking to elect two Ambassadors from every secondary school in Redbridge and need as many young people as possible to vote for who they want as their Ambassador.

Click on the link below to cast your vote! Voting opens on Monday 18 October 2021. Winners will be notified after voting closes on 31st October 2021. Good luck to all candidates!

Strategies that can help with anxiety:

Breathe slowly and deeply.

You can count slowly to five as you breathe in, and then five as you breathe out. If this is too much, try starting with shorter counts. If it works gradually breathe out for one or two counts longer than you breathe in. This can help your body to relax.

Think of a safe and relaxing place in your mind.

It could be your bedroom, a grandparent's house, a favourite place in nature or somewhere you have been on holiday. Sometimes holding a memento of a relaxing place, like a seashell or pebble, can help.

Try using all five senses together.

Connecting with what you can see, touch, hear, smell and taste can bring you closer to the present moment and reduce the intensity of your anxiety. You might think about five things you can see, four things you can touch, three things you can hear, two things you can smell and one thing you can taste.

Try to do something that helps you to feel calmer.

This could be running, walking, listening to music, painting, drawing or colouring-in, writing in a journal, baking, watching a favourite film or reading a favourite book.

Remember that everyone is different, and that over time you will find the things that work best for you in these moments.

Anger Management Techniques

Relaxation

Not all anger is misplaced, and often it's a healthy, natural response to difficulties.

Simple relaxation tools, such as deep breathing and relaxing imagery, can help calm down angry feelings.

Some simple steps you can try:

- Breathe deeply, from your diaphragm; breathing from your chest won't relax you. Picture your breath coming up from your "gut."
- Slowly repeat a calm word or phrase such as "relax," "take it easy." Repeat it to yourself while breathing deeply.
- Use imagery; visualize a relaxing experience, from either your memory or your imagination.
- Nonstrenuous, slow yoga-like exercises can relax your muscles and make you feel much calmer.

Practice these techniques daily. Learn to use them automatically when you're in a tense situation.

Restructure your thoughts

When you're angry, your thinking can get very exaggerated and overly dramatic. Try replacing these thoughts with more rational ones. For instance, instead of telling yourself, "oh, it's awful, it's terrible, everything's ruined," tell yourself, "it's frustrating, and it's understandable that I'm upset about it, but it's not the end of the world and getting angry is not going to fix it anyhow" and may make me feel worse. Logic defeats anger, because anger, even when it's justified, can quickly become irrational. So use cold hard logic on yourself. Remind yourself that the world is "not out to get you," you're just experiencing some of the rough spots of daily life.

Problem Solving

Sometimes, our anger and frustration are caused by very real and inescapable problems in our lives. Not all anger is misplaced, and often it's a healthy, natural response to these difficulties.

Make a plan, and check your progress along the way. Resolve to give it your best, but also not to punish yourself if an answer doesn't come right away.

Continued./.....

Better Communication

Angry people tend to jump to—and act on—conclusions, and some of those conclusions can be very inaccurate. The first thing to do if you're in a heated discussion is slow down and think through your responses. Don't say the first thing that comes into your head, but slow down and think carefully about what you want to say. At the same time, listen carefully to what the other person is saying and take your time before answering. Try not to let your anger during a discussion spin out of control. Keeping your cool can keep the situation from becoming a disastrous one.

If you are finding things challenging, as we all do from time to time, do remember to check that you are including the 5 ways to well-being in your daily life, in whatever way you can. Remember the 5 ways to well-being are:

Connect (Talk and Listen, feel connected, be there)

Be Active (Do what you can: Enjoy what you do: Move your mood)

Take Notice (Remember the simple things that give you joy)

Keep Learning (Embrace new experience, see opportunities, surprise yourself)

Give (Your time, your words, your presence)

It is often helpful to talk through concerns or worries with family or a friend so do both reach out to others and be there for your friends and family should they need to talk to you. Sometimes talking through a worry can really help.

Sometimes it may be helpful for you or a friend to access support to access help outside of or in addition to family and/or friends. You can contact the school in several ways to do this and there are various people who can offer help and support.

CONFIDENTIALITY

If you speak to a member of school staff about a private matter this will usually remain confidential between you and that member of staff. If the member of staff thinks that it is a good idea to involve someone else such as another member of staff, an external agency or your parents they would talk to you about this and get your consent. However, all members of staff have a duty to pass on information to only the school Safeguarding Team if they had concerns about your own safety or that of another member of the school community. The Safeguarding Team is limited to Mrs Greenfield and Mrs Holman.

HOW TO ACCESS SUPPORT

Tootoot – this is a way of contacting the school anonymously. You can access Tootoot from the School Website and you would have been sent a login to your school email at the start of the year. You can use Tootoot to get help with problems that you are having at school or to report something you are worried about. There is a small selection of staff who will receive your message when it is sent and will endeavour to answer as soon as they can.

Form tutor – the first place you should go if you have any problems is to your form tutor. They will offer advice if they can and /or will direct you to the relevant person in the school who can help. Currently you may be able to speak to your tutor at the end of a Teams Meeting or by emailing into the relevant KS Administrator asking your Form Tutor to contact you (you would not need to give any details). You could also get a message to them through Tootoot but would need to give your name so that they would know who to contact.

Head of Year – form tutors usually work closely with Head of Year. You can also go directly to your Head of Year if you would prefer to do this.

Continued below/

Student Guidance Team – Mrs Holman and Ms Menon are available to speak to you if you have a problem, whether related to school or more personal and will guide you as to the best way to deal with the problem. They may offer to see you again themselves or advise you to see a school counsellor.

School Counsellor – Feeling overwhelmed? Scared because your parents are splitting up? Feel like you don't fit in? Sometimes it's just not possible to sort through tough times alone. Problems can build up and you may lose sleep, find you can't concentrate on school work/homework, or even become depressed. When you need to talk to someone, your school counsellor can be a great person to help you through your bad times. They will listen and help. They'll take your problem seriously and work with you to find a good solution. School counsellors are trained to help with most issues. Please speak to your Form Tutor or other member of staff or enquire via Tootoot. Speaking to a counsellor is informal, just like a chat.

Counselling is very informal, like having a chat and the Counsellors may ask questions or give advice. The sessions are about you and is your time to speak about what is worrying you.

LGBTQ+

Dear Students,

Pride is a movement which celebrates diversity as well as protesting against discrimination and violence as whilst the rights of the LGBTQ+ community have come a long way, there is still not full equality. There is plenty of information online about the history of the development of the rights for the LGBTQ+ community available online, for example –

<https://www.bbc.co.uk/newsround/40459213>

Remember, Pride is all about inclusivity and diversity. The priority is the promotion of equality and creating a community and a safe space for people to be who they are.

If you, or anyone you know, has any questions about this or feel that they need some support then you can speak to a trusted adult at school such as your Head of Year or Form Tutor. Alternatively, the following websites might be of use –

Dear Students

Woodford County High School subscribes to Tootoot, this is an online reporting platform and app for students. We are aware that there may be times when you may not feel comfortable to speak to someone face-to-face about your concerns, or may be concerned about being identified or potentially making matters worse.

With Tootoot, you are able to safely and anonymously report your concerns and worries to mentors (WCHS safeguarding and pastoral team), so use this as a first step to resolving your concerns. ***Although anonymous please be aware that in the event of a serious safeguarding issue, (i.e. where a student is in danger of imminent harm) it would be possible for the Designated Safeguarding Leads to gain access to identify the student.***

Tootoot is accessible anywhere, anytime and on any internet-enabled device, if there is something that is concerning you, or making you feel unsafe (whether an issue personal to you or a wider concern about others in school) you can use this platform to raise your concern. School should be a safe place where you can grow in confidence and learn, no one should ever be bullied. When reporting you will also be able to attach supporting evidence, such as images, screenshots or documents etc.

Ms Hasler and Mrs Easton, as well as the school's Student Guidance Officer Mrs Holman and Assistant Student Guidance Officer Mrs Menon, will be happy to discuss any concerns you may have in person.

Please note that Tootoot **should not** be used for day to day school-related questions, please speak to your form tutor, teachers or Key Stage Administrator for these. You are also able to contact your teachers via email who will get back to you during a school day.

Keep an eye out for an email from Tootoot with your login details, which will be sent out via the Tootoot system. Your accounts are linked to your school email therefore should you forget your details going forward, you will always be able to use the "Forgotten your login/password?" feature on the home page to receive a password reset link.

SGUL ISoc Charity Week presents: MedHelp! This is a Medicine application crash course, open to aspiring medical students/biomed students in Year 12 and 13!

About this event

Once a year, Charity Week puts on a workshop that offers valuable knowledge which can strengthen your future medical application.

The day will consist of various activities including;

- Practise MMI and panel interviews
- Feedback sessions
- A talk on getting into Medicine (separately aimed at sixth formers and also current BMS students)
- Ethics lecture
- A talk on how to ace interviews
- A talk on BMAT
-
- A Q&A session from current medical students

We will have a range of students on board to help out on the day including biomedical students, medics and students who have already been through the transfer process.

All in all, there is a lot that you can gain from this day, as you will be receiving advice from students who have first-hand experience on getting into Medicine. For many internal students, already studying Biomedical Science at St. George's, this is an excellent opportunity which will greatly help with prospective transfer interviews.

For as little as £25, you will be gaining information that is priceless. All funds will be donated to #charityweek2021 helping vulnerable people across the world. Please see the link below for more info:

Lunch is provided so don't worry about that! Spaces are limited so apply as soon as possible! If you have any questions, please do not hesitate to contact the CW MedHelp team by email: medhelp.charityweek2021@gmail.com

NB This event is run by a Woodford alumna.
