‘THE SOUND of MUSIC’ is an award-winning show

Set against the snow-covered Austrian mountains in the 1930's, a young woman named Maria is failing miserably in her attempts to become a nun. She is sent out from the convent to fill a temporary post as governess in the home of Navy Captain Georg von Trapp, a widower with seven difficult and mischievous children. It is a life-changing experience for both Maria and the whole of the von Trapp family and, as Nazi Germany tightens its grip on free Austria, there is only one way to escape.

URGENT REMINDER

Year 10 - Take your Child to Work Day 2022 (July 20th 2022)

Dear Year 10 parents, carers,

You may remember that we carried out a preliminary survey to ascertain if you, a family member or a close friend could support our careers and work-related learning programme at Woodford. We were pleased to note that a large proportion of you were able to confirm that you, a relative or close friend were able to take your child to work for one day (**Wednesday 20th July 2022**).

Work shadowing enables our young people to spend a day in the workplace, discovering what happens during a typical day in the world of work. Students will be visitors to the workplace with the opportunity to observe, question and explore why and how people followed their particular career. In addition, they may perhaps participate in simple tasks in order to experience elements of a regular business day. We hope you will be able to negotiate the opportunity for your child to experience your place of work. It is advised that you check the employer possesses Public Liability Insurance to cover any accidents that may occur in the workplace for visitors.

Those students who are unable to organise a placement will be required to attend school. **All parents are required to complete a [short survey](#) (by Wednesday 13th July) to confirm that your child has secured a placement or if they will be present in school.**

Yours sincerely

Mrs. Patel
Head of Economics and i/c of Work Related Learning

Redbridge Equalities Awareness Questionnaire for Parents and Carers

As Ms Pomeroy wrote to you the week before last, Woodford is currently participating in the Redbridge Equalities Awareness Scheme (REA). This is a local initiative working with schools to promote racial equality and to increase the confidence of staff, parents and carers, and our young people, to discuss race and equality.

The REA Questionnaire is a central component of the scheme, and will be completed by parents and carers, students and staff over the next couple of weeks. We would very much appreciate you taking the time to complete this. Answers are completely anonymous and the information we collect will contribute to our journey ensuring WCHS is a safe and welcoming space for all staff, students and their families.

Students will have the opportunity to complete their questionnaire in form time, and the link to the parent and carer survey can be found below or via the letter sent on GroupCall. Please complete one form per family.

My thanks in advance for your time in completing the questionnaire.

Link to Family Questionnaire: <https://forms.gle/9HBM2guBwdoa8hFr8>

This Questionnaire will close at 2pm on **Friday, 15th July 2022**.

RE: Emerging Public Health Concern – Poliomyelitis in North East London.

You will be aware that this week, UKHSA informed the public that there have been samples of polio found in sewage samples at the Beckton plant in North East London.

Unfortunately, uptake of the DTP (Diphtheria/Tetanus / Polio vaccine) along with meningitis ACWY has been low this year, despite our best efforts and cooperation from schools such as yours. To stop the possibility of polio spreading further, parents of children who have not received 4 doses of the polio vaccine before they start school or have not had their 5th dose in year 9 are being urged to come forward for vaccination – this is the single most effective way to stop the spread of polio and save lives, to combat what is a serious and sometimes fatal infectious disease.

In a bid to protect vulnerable young people who may not have enough immunity, we now have to make a further visit to your school to try and capture those pupils who have not yet had their school leaver booster in year 9. During that visit, as directed by NHS England, we ask that all pupils in year 9 be brought down to the session, even if they have not returned a form. Our clinical team will attempt to contact parents on the day, but if this proves unsuccessful, they will assess each pupil for Gillick competence and continue with self-consent if pupils are found to be capable of doing so. This will rapidly increase the numbers of children who are vaccinated, and protect them much faster. We ask for your cooperation in allowing our team to do this. If you have any concerns about this process, you can contact your local team to discuss this.

At this time, we are also being asked to vaccinate pupils younger than year 9 who have not had their 4th (pre-school) polio vaccine, and those older than year 9 who have not had their 5th (school leaver) vaccine. This can be done in school, or at our community clinics.

I know that it is a busy time of year in schools, but in light of this very serious public health issue, I kindly ask that you accommodate the immunisation team with the request to attend your school again, and if you could circulate the dates of our community clinic sessions to parents and carers of ALL your pupils via your school communication platform such as ParentMail. Details of the community clinics are attached.

Thank you for playing your part in helping to reduce the spread of this infectious disease.

Yours Faithfully,

ROYAL
OPERA
HOUSE

Audition Workshops for ROH Youth Opera Programmes 27th and 28th August 2022

The Royal Opera House is delighted to invite children aged 7-13 with a passion for the performing arts to audition for our Youth Opera programmes this August. No experience or knowledge of opera is required, just a love of singing and performing and an enthusiasm to explore and create opera with the ROH. There is no fee to join us, and we are particularly interested in applications from boys and/or those who are ethnically diverse.

If you know a young person in state education who may benefit from our programmes, please read the following for more information on our programmes and how to register interest for an audition workshop.

ROH Youth Opera Programmes

There are two programmes available for young performers:

- **ROH Young Voices** is a singing programme for 7-8 year olds, developing participants' vocal control, musical literacy and performing skills. As well as performing at concerts and other ROH events, participants receive gain a grounding in the skills required to progress into our older ensemble, the ROH Youth Opera Company.

Audition workshops for the ROH Young Voices will be held on Saturday the 27th of August from 11-1pm

- **ROH Youth Opera Company** is our in house ensemble of 9 – 13 year olds, and offers participants an all-round training in the performing arts, covering vocal technique, language coaching, acting and stage craft, musical literacy, and creative processes for developing new work.

Auditions for the ROH Youth Opera Company will be held on Saturday the 27th of August from 2-4pm, and Sunday the 28th August from 11-1pm and 2-4pm.

Both groups meet for half day rehearsals on Saturdays during term time at Covent Garden and participate in an online music theory class after school on Wednesdays. A high level of attendance is expected so please bear this in mind when applying to join the programmes. For more information on the programmes and how they support the development of young performers [watch this video](#).

TO REGISTER YOUR INTEREST

To give your child an insight into the ROH Youth Opera programmes we ask that you share with them our '[What is Opera](#)' video workshop. Please note, this video includes some group activities which your child need not complete. Should they be invited to attend an audition workshop, they will need to be familiar with the song explored in this video as this will be explored further in the workshop. Our audition workshops are relaxed, welcoming spaces inviting attendees to explore opera with our YOC Associate Artists. Children may be asked to sing in small groups, but not on their own. Please note that audition places are limited and based on a range of considerations.

To register your child's interest in attending an ROH Youth Opera audition workshop:

1. Please complete [this form](#)
2. Please ensure your child has watched the 'What is Opera' workshop: <https://www.youtube.com/watch?v=yUaHe1TRaKE&t=1s>

For more information on the ROH Youth Opera programmes email youthopera@roh.org.uk

Thank you and good luck!
