

# Clifford Chance Insight Day

Aspiring lawyers Brianne (12JPT) & Amaris (12LPR) were selected to attend the Clifford Chance Insight Day in February this year. As a 'Magic Circle' company, Clifford Chance is one of the most prestigious law firms in the world.

*Jenni Heeks, Head of History & Politics*

Attending Clifford Chance was a wonderful experience, informing us of the interesting career paths of a senior partner and trainees.

We were introduced to their 'Access' program, which is their commitment to making a legal career a 'more approachable endeavour'.

Exploring the Watson Glaser test provided invaluable tips for navigating the assessment process, which enriched our understanding of legal recruitment.

Allotted time for networking allowed us to talk with like-minded students, giving us the chance to share knowledge with one another. It also gave us the opportunity to ask questions to lawyers who had formerly been in our position, which helped us to gain further understanding of the different paths in the legal field.

*Brianne, 12JPT & Amaris, 12LPR*
