

# Roller Nation—Year 10—30th September 24

Year 10s have traditionally celebrated the School Birthday by taking part in an off-site activity. This year, Year 10 students have visited **Roller Nation, Bruce Grove, London**, on 30th September 2024.

*“Our trip to Rollernation on the school birthday was an excellent break from the busy start to Year 10 and an afternoon of lessons! We really enjoyed socialising with our friends in our forms, as many of us were now off in different groups for our GCSEs. It was really fun learning how to roller-skate together and the staff were really helpful as many of us had never tried it before.*

*Everyone really enjoyed the music and the juice was ‘the bomb’!”*

*Etta, Faiza & Sauda*
