Y7 Entry September 2024

Our school - Her future

Woodford County High School is a selective girls' state school in the London Borough of Redbridge. Entry is via a voluntary 11+ test, which is administered by LB Redbridge Education. Authority and taken in the autumn of Year 6. The school's catchment area includes the whole of Redbridge and selected areas of adjacent boroughs.

Parents of girls in Y5 who are interested in applying to Woodford County High School for entry to Y7 in September 2024 are warmly invited to attend our Live Admissions Information Event. This event will be online and accessible via the school website <a href="https://www.woodford.redbridge.sch.uk">www.woodford.redbridge.sch.uk</a> at 6:30pm on Thursday 11<sup>th</sup> May. You do not need to sign-up before hand to join the event. The briefing is aimed primarily at parents but, of course, children may also view it alongside their parents. There will be a chance to ask questions.

An on-site Open Evening event is planned for October 2023 when the Parents / Carers of children who have taken the test will be invited to book tickets to visit the school in order to inform their decision making about secondary school preferences.

Please note that all Y5 parents who wish to have the option of naming Woodford County High School as a preferred Secondary School must register for the 11+ test via the Redbridge website. Registration opens on 1st May and closes on 30th June 2023 at 5pm.

#### Live Online Admissions Event (for current Y5 pupils) on Thursday at 6.30pm

Mrs Greenfield, Assistant Headteacher and I, will talk virtual attendees through the process of applying for a school place which starts with registering to sit the 11+ here (on Friday 15 September 2023).

#### **Mock Interview Day**

Woodford Careers Department is organising a Mock Interview day for all students in year 12 towards the end of the summer term (July). The idea is to give all students a generic mock interview for a job, following which they will receive feedback on their performance and on their pre-submitted CV.

In order to do this we will need a good number of employers who would be willing to devote a morning of their time in interviewing five or six students, depending on the number of responses received.

Are there any parents who would be willing to come in to school to help us? If this is something that you have experience of, would like to be involved with and would be able to offer a few hours for the morning, please contact the Careers Coordinator at <a href="mailto:smithm@woodfordredbrigde.sch.uk">smithm@woodfordredbrigde.sch.uk</a> and I will be happy to give some more details. Thank you for your support.
