Weekly Student Bulletin

Tuesday, 7th November 2023

Welcome to Bulletin No 86

The aim of this bulletin is to give you important information and reminders from your Heads of Year or other members of staff.

It will include information about events taking place at and around school that you can take part in.

Also there will be wellbeing and support advice as well as reminders about how to access support if you should need it.

Kalimba Club will be held in room SF2 until 20th November, and Senior Choir will be held in the Conference room between those dates too. This is because of House Drama rehearsals taking place in the hall during lunch.

Your chance to speak out

As Ms. Pomeroy mentioned in her address to all students on Monday 6th November we have set up an additional e-mail account for you as students to speak out on matters that are concerning you. We envisage that many of you will use this as a means of sharing your views about the events in the occupied Palestinian territory and Israel and specifically Gaza. You may also choose to focus on school, perhaps suggesting what more you would like to see at school to support you regarding this matter. When communicating, please be mindful of the language that you are using in your email and abstain from writing messages that can be deemed as hurtful or hateful. Whilst we will be unable to respond to every message, we will take on board ideas where we can in the context of a school environment.

Please use the email address studentvoice@woodford.redbridge.sch.uk

For those of you who have any further information about the incident from Friday 3rd November, please also use the same email address and have in the subject:

Incident Friday 3rd November.

The information that you will provide will remain confidential, you may be asked to give further information if we feel it will help our investigations.

Tomorrow's Engineers Week

6 to 10 Nov 2023
#TEWeek23

Hi ,

Get your class involved and become part of the grand celebration of the 11th annual Tomorrow's Engineers Week, which will take place 6 to 10 November!

To kick off this exciting week, join a live, interactive, and free school broadcast on Monday 6 November at 2pm . Passionate engineers and technicians will be on hand to share their inspiration and provide unique insights into exciting and unconventional career paths. They'll reveal how engineering is currently shaping the world of entertainment, technology, and the environment. Your students will have the opportunity to ask questions and seek advice on potential routes into engineering. The school broadcast will be recorded and available to view after the event.

Students will also have a chance to submit specific questions to the Tomorrow's Engineers Week panel online to learn more and also gain support for their work and discussions throughout the week.

Sign up now to save the date for the FREE school broadcast and receive exclusive early access to curriculum-linked resources that you can use throughout the week, including engaging activities, daily challenges, a careers journal, and so much more! Prepare for an unforgettable week of exploration and discovery!

CUT YOUR CARBON

Throughout November, we're challenging all pupils to complete 9 small, carbon-cutting actions, at home, with the help of friends and family.

Completing these challenges will raise awareness, change behaviours, and cut carbon - a greenhouse gas responsible for driving climate change.

All pupils will bring home a checklist on November 1st, outlining the simple, easy-to-deliver actions. This will help you to tick them off throughout the month.

November is Cut Your Carbon month!

Eco-Schools is challenging all young people in England to take action on their carbon footprint. Completing 9 simple actions with families and friends will raise awareness, change behaviours, and Cut Your Carbon.

The school will submit the results to the National initiative run by Eco-Schools and then be entered into a Prize Draw.

Please see the below for information about Woodford's Pride Youth Network. This club is run by Sixth Formers and overseen by Ms Keith. We meet on Monday lunchtimes and everyone is welcome – it is a safe space to chat to others and have fun, please do come along.

If you have any questions, please ask Ms Keith.

See you next Monday in SF7.

KEEP SAFE TO AND FROM SCHOOL

- Stay aware of your surroundings when travelling to and from school
- Avoid walking with valuables on display such as mobile phones and earpods
- Plan your route and use forms of transport others are using. Perhaps travel with a friend
- Avoid shortcuts and isolated places
- Do not confront a thief or risk your own safety

LOCATE YOUR PHONE IF LOST OR STOLEN

- Record your phone's IMEI number by typing *#06# on your phone keypad and keep a note of it somewhere at home
- Use access codes sent (two-factor authentication codes) to access your data from another device
- **KNOW YOUR DETAILS** Tracker Apps can help locate your phone, such as Find My Phone and record password details elsewhere, in case you need to provide information to an officer after your phone has been stolen.

Strategies that can help with anxiety:

Calming or Grounding techniques are a good way to reduce our heart rate/blood pressure when feeling worried or anxious. It helps us refocus our attention and overcome those unpleasant feelings so we can feel better and do more.

5 4 3 2 1

Take notice of your senses by thinking of:

- 5 things you can see
- 4 things you can hear
- 3 things you can feel/touch
- 2 things you can smell
- 1 thing you can taste

Facts

Think about and name facts about what is going on right now. For example, think:

My age is...

My name is...

I am wearing...

The weather is...

I am in...

Room Search

Think of a category and search the room for it. For example, look for:

Everything that is a ... colour

Everything that is a ... shape

Things that feel of...

Things made of...

By **thinking** about things to help us calm down we can then **do** the things we want/need to do and **feel** better and happier.

How to handle a panic attack

Professor Paul Salkovskis, Professor of Clinical Psychology and Applied Science at the University of Bath, says it's important not to let your fear of panic attacks control you.

"Panic attacks always pass and the symptoms are not a sign of anything harmful happening," he says. "Tell yourself that the symptoms you're experiencing are caused by [anxiety](#)."

He says don't look for distractions. "Ride out the attack. Try to keep doing things. If possible, it's important to try to remain in the situation until the anxiety has subsided."

"Confront your fear. If you don't run away from it, you're giving yourself a chance to discover that nothing's going to happen."

As the anxiety begins to pass, start to focus on your surroundings and continue to do what you were doing before.

Breathing exercise for panic attacks

If you're breathing quickly during a panic attack, doing a breathing exercise can ease your other symptoms. Try this:

- breathe in as slowly, deeply and gently as you can, through your nose
- breathe out slowly, deeply and gently through your mouth
- some people find it helpful to count steadily from 1 to 5 on each in-breath and each out-breath
- close your eyes and focus on your breathing

You should start to feel better in a few minutes. You may feel tired afterwards.

Visit the No Panic website for another [breathing exercise to calm panic](#).

If you are finding things challenging, as we all do from time to time, do remember to check that you are including the 5 ways to well-being in your daily life, in whatever way you can. Remember the 5 ways to well-being are:

Connect (Talk and Listen, feel connected, be there)

Be Active (Do what you can: Enjoy what you do: Move your mood)

Take Notice (Remember the simple things that give you joy)

Keep Learning (Embrace new experience, see opportunities, surprise yourself)

Give (Your time, your words, your presence)

It is often helpful to talk through concerns or worries with family or a friend so do both reach out to others and be there for your friends and family should they need to talk to you. Sometimes talking through a worry can really help.

Sometimes it may be helpful for you or a friend to access support to access help outside of or in addition to family and/or friends. You can contact the school in several ways to do this and there are various people who can offer help and support.

CONFIDENTIALITY

If you speak to a member of school staff about a private matter this will usually remain confidential between you and that member of staff. If the member of staff thinks that it is a good idea to involve someone else such as another member of staff, an external agency or your parents they would talk to you about this and get your consent. However, all members of staff have a duty to pass on information to only the school Safeguarding Team if they had concerns about your own safety or that of another member of the school community. The Safeguarding Team is limited to Mrs Greenfield.

HOW TO ACCESS SUPPORT

Tootoot – this is a way of contacting the school anonymously. You can access Tootoot from the School Website and you would have been sent a login to your school email at the start of the year. You can use Tootoot to get help with problems that you are having at school or to report something you are worried about. There is a small selection of staff who will receive your message when it is sent and will endeavour to answer as soon as they can.

Form tutor – the first place you should go if you have any problems is to your form tutor. They will offer advice if they can and /or will direct you to the relevant person in the school who can help. Currently you may be able to speak to your tutor at the end of a Teams Meeting or by emailing into the relevant KS Administrator asking your Form Tutor to contact you (you would not need to give any details). You could also get a message to them through Tootoot but would need to give your name so that they would know who to contact.

Head of Year – form tutors usually work closely with Head of Year. You can also go directly to your Head of Year if you would prefer to do this.

Continued below/

Student Guidance Team – Mrs Marku is available to speak to you if you have a problem, whether related to school or more personal and will guide you as to the best way to deal with the problem. They may offer to see you again themselves or advise you to see a school counsellor.

School Counsellor – Feeling overwhelmed? Scared because your parents are splitting up? Feel like you don't fit in? Sometimes it's just not possible to sort through tough times alone. Problems can build up and you may lose sleep, find you can't concentrate on school work/homework, or even become depressed. When you need to talk to someone, your school counsellor can be a great person to help you through your bad times. They will listen and help. They'll take your problem seriously and work with you to find a good solution. School counsellors are trained to help with most issues. Please speak to your Form Tutor or other member of staff or enquire via Tootoot. Speaking to a counsellor is informal, just like a chat.

Counselling is very informal, like having a chat and the Counsellors may ask questions or give advice. The sessions are about you and is your time to speak about what is worrying you.

Students if you are experiencing low mood or anxiety and would like support for this in the form of eight on-line sessions with an Education Mental Health Practitioner, you can contact Mrs Marku for more information and sign-up.

Mrs Marku is based in the Student Guidance Office, formerly SG4.

MINDFULNESS PAGES

Things You Should Know to Meditate

- Create a distraction-free space without phones or TVs and a comfortable place to sit.
- Set a timer for 5 to 10 minutes (or shorter), close your eyes, and focus on your breathing until the timer dings.
- Concentrate on your inhales and exhales if your mind wanders while meditating—it may even be helpful to count your breaths.
- Meditating can help you relax while lessening stress, relieving anxiety, and channeling your focus.

Getting a good night's sleep (Easy Read)

Sleep is very important. It lets your body and mind rest after a busy day.

Everyone has trouble sleeping sometimes. There are things you can do to help you sleep better.

Think about what you eat and drink in the afternoons and evenings. Cola drinks have something in them to keep you awake.

Try not to eat too much before bedtime. Have at least an hour after dinner to let your food go down.

Try to get some fresh air each day. You don't have to do a sport every day. Just going outside is good.

Try not to have where you sleep too hot or too cold.

Put a nightlight on if you like to have some light or dark curtains if you don't.

Try to go to bed at the same time each day. This should be the same at weekends as well as on school nights.

Have a warm bath or shower before bed to relax you. You could also have a milky drink as this could help you sleep.

Don't watch the television or use your phone or tablet before bed. The light they give off can wake up your brain.

Remember to go to the toilet before you go to bed.

LGBTQ+

Dear Students,

Pride is a movement which celebrates diversity as well as protesting against discrimination and violence as whilst the rights of the LGBT+ community have come a long way, there is still not full equality. There is plenty of information online about the history of the development of the rights for the LGBT+ community available online, for example –

<https://www.bbc.co.uk/newsround/40459213>

Remember, Pride is all about inclusivity and diversity. The priority is the promotion of equality and creating a community and a safe space for people to be who they are.

If you, or anyone you know, has any questions about this or feel that they need some support then you can speak to a trusted adult at school such as your Head of Year or Form Tutor. Alternatively, the following websites might be of use

Stonewall

Dear Students,

As you may know, every June the LGBT+ community celebrates Pride Month across the globe! The month of June has been dedicated for this as this is when the Stonewall Riots took place in 1969, in Manhattan. These riots served as a catalyst for the rights of LGBTQ+ people. Pride is a movement which celebrates diversity as well as protesting against discrimination and violence as whilst the rights of the LGBT+ community have come a long way, there is still not full equality. There is plenty of information online about the history of the development of the rights for the LGBT+ community available online, for example - <https://www.bbc.co.uk/newsround/40459213>

Remember, Pride Month is all about inclusivity and diversity. The priority is the promotion of equality and creating a community and a safe space for people to be who they are. This week (26th – 30th June) is also **School's Diversity Week** so it is another opportunity to continue to celebrate our rich diversity here at Woodford.

Dear Students

Woodford County High School subscribes to Tootoot, this is an online reporting platform and app for students. We are aware that there may be times when you may not feel comfortable to speak to someone face- to face about your concerns, or may be concerned about being identified or potentially making matters worse.

With Tootoot, you are able to safely and anonymously report your concerns and worries to mentors (WCHS safeguarding and pastoral team), so use this as a first step to resolving your concerns. ***Although anonymous please be aware that in the event of a serious safeguarding issue, (i.e. where a student is in danger of imminent harm) it would be possible for the Designated Safeguarding Leads to gain access to identify the student.***

Tootoot is accessible anywhere, anytime and on any internet-enabled device, if there is something that is concerning your, or making you feel unsafe (whether an issue personal to you or a wider concern about others in school) you can use this platform to raise your concern. School should be a safe place where you can grow in confidence and learn, no one should ever be bullied. When reporting you will also be able to attach supporting evidence, such as images, screenshots or documents etc.

Ms Heeks and Mrs Easton, as well as the school's Student Guidance Officer Mrs Marku and Assistant Student Guidance Officer, will be happy to discuss any concerns you may have in person.

Please note that Tootoot **should not** be used for day to day school- related questions, please speak to your form tutor, teachers or Key Stage Administrator for these. You are also able to contact your teachers via email who will get back to you during a school day.

Keep an eye out for an email from Tootoot with your login details, which will be sent out via the Tootoot system. Your accounts are linked to your school email therefore should you forget your details going forward, you will always be able to use the "Forgotten your login/password?" feature on the home page to receive a password reset link.

Regards

Mrs Del Giudice
