In February students from Y10 went to see ‘& Juliet’ at the Shaftsbury Theatre with the English Department. Some of our Y10 cohort study Shakespeare’s ‘Romeo & Juliet’ at GCSE and are familiar with the traditional story-line of the play. However, whilst it’s based on the original Elizabethan drama, ‘& Juliet’ asks the question, what if Juliet didn’t die? How would she live her life after Romeo?

The musical features songs from the Swedish pop songwriter Max Martin and included hits such as ‘Oops I did it Again’ by Britney Spears and ‘Since U Been Gone’ by Kelly Clarkson.

Our Y10 students thoroughly enjoyed their visit to the theatre and I am sure they will still be trying to get the ear-worm inducing hits out of their heads now.
