

# Gilwell Park—Year 11

On Friday the 29th September, Year 11 students had a fantastic trip to Gilwell Park that was designed to be challenging, fun and unite students together as a team. They had the opportunity to take part in axe throwing, high ropes, climbing, archery, crate stacking, fire lighting, raft building and many other activities. It was a wonderful day that was enjoyed by all. Thank you to all the staff that came on the trip and helped make the day a success.

*Katie Runacres, Head of Year 11 & Physical Education Teacher*

“Gilwell Park was really fun for our whole year because there was something for everyone! My personal favourite was the tomahawk/ axe throwing and the crate- stacking because we got to work as a team together! Being a group with your friends made the experience great! If we had another ‘fun day’ we’d love to come back”. *Saarah & Inayah, 11E*

“Gilwell Park was truly an unforgettable experience. The highlights were Archery and Rock Climbing. The day not only offered us unique opportunities to test our physical skills and team work but also encouraged us to support and celebrate each other’s achievements. What a great experience to have before the exam period”. *Maahi, 11C*
